

**CAPACIAN**

1954

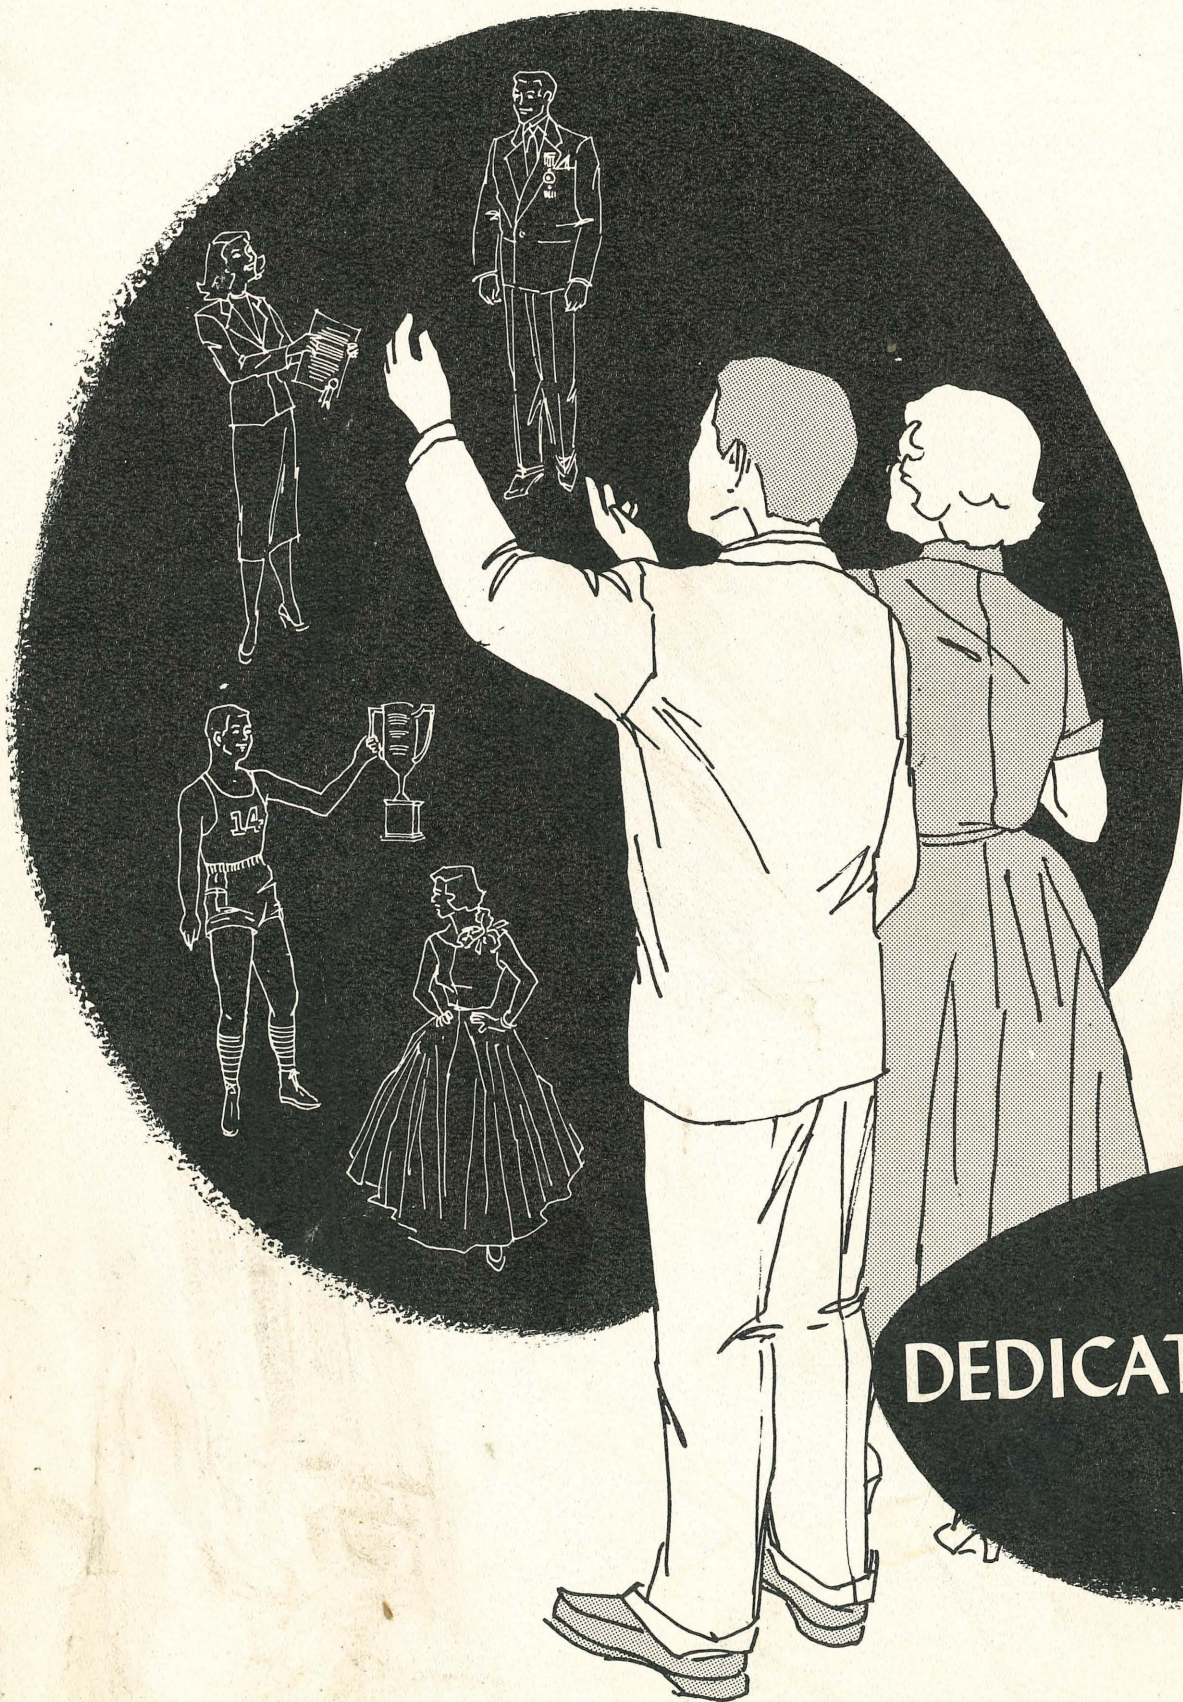

Bessie Wood  
3043 Capae Road  
Capae Michigan

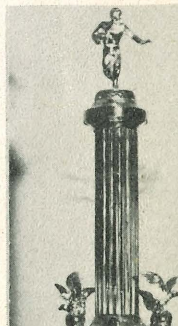

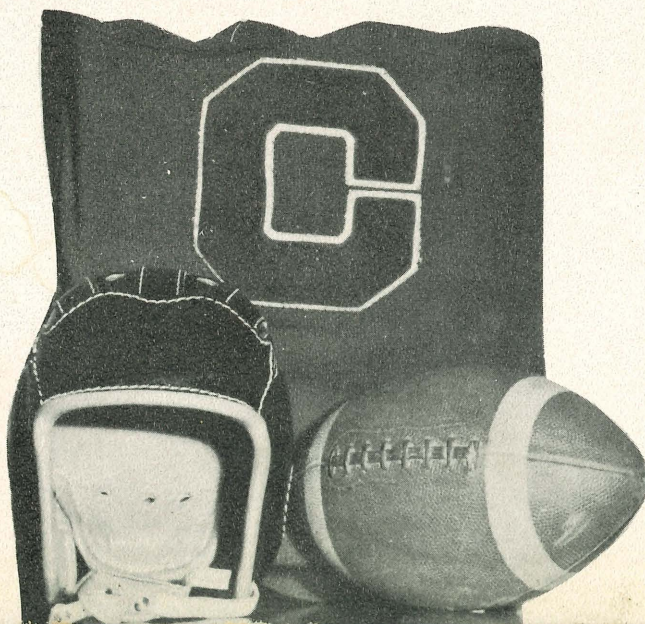

DEDICATION

To the Football Team of 1953 and also S. T. H. S. A. A. champs we dedicate our Capacian of 1954. The Chiefs under the leadership of the Coaches, Mr. Gray and Mr. Seeley came through with the championship and undefeated record the first since 1945.

To      You      We  
  
Dedicate

There are many students who consider attending high school a waste of time. Then there are others who thoroughly enjoy the experience. In a country like ours where everyone has an equal opportunity for success we should deem it a privilege to attend school. The years fly by so fast that we cannot realize how important our high school days are.

When a piece of sculpture is made the artist makes many changes in the basic pattern of his work. How well his initial effort is accomplished will determine his success. He must through trial and error create the finished product. When a child enters high school he makes many adjustments as he progresses in his education. How well he applies himself, how willing and eager he is to discover and use his abilities and talents shows his attitude toward life. His many interests, associations and experiences make possible the development of a finer sense of what is right and what is wrong. There are many good things accomplished and there are many fine qualities developed and sometimes mistakes are made. But this is the place for the student to find them out and correct them.

We teachers pledge ourselves to be advisors and helpers to you students. It is our ambition to guide and direct you wisely along the pathway of high school education.

"What sculpture is to a block of marble, education is to the human soul." -- Addison

*Joseph J. Colby*  
*Superintendent*

Democracy is an effective way of living based upon fundamental and lasting ideals. Individuals are respected, have dignity, make choices and decisions, assume and discharge responsibilities, use and help to preserve human rights, and have opportunities to work with others in the pursuit of common interests. All of these values, the development of which constitutes a challenge to every teacher, become increasingly significant in daily living.

In our stress upon the individual privileges and freedom enjoyed in a democracy, we sometimes fail to realize the inherent responsibilities coupled with these privileges. One ought to be more concerned with what he owes others than what they owe him. The world does not owe anyone a living. The elevator to success is not running, take the stairs at the top of which may your Master be able to greet you with His Well Done.

*Frank J. Spotts*  
*Principal*

ATHLETICS

The athletic program at Capac High School under the direction of Mr. Seeley, Mr. Gray and Miss Swem has been established for the purpose of providing every student whether boy or girl, with the opportunity of participating in some form of athletic activity if they so desire. In addition to the four major sports of football, basketball, baseball, and track, the program includes girls' basketball, in which Capac has excelled for several years, interscholastic basketball for Junior high boys, intramural activities for grades seven through twelve and physical education classes for grade school children, Junior high school and high school students.

It is our desire that these activities might serve to complement our academic program. That those who participate, either actively or in the capacity of spectator, might acquire a lasting attitude of co-operativeness, understanding, and respect, both for themselves and their fellowmen.

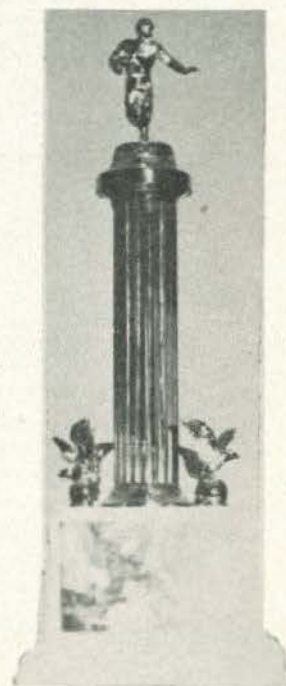

## Chiefs Win Championship

### FOOTBALL SCHEDULE

 ABSENT: London

## Reserves

Above is Dale Wideman and Coach Seeley receiving the S. T. H. S. A. A. tournament trophy from League President, Mr. Donald McAlvey, with the other four team mates who played the winning game. From left to right are: Hank Bargiel, Jim Love, George Diver, and George Kobayashi.

## Track

The Capac Track Team under the coaching of Mr. Gray had some of the top contenders in the league, among the outstanding members were:

Ollie Brieger  
 Bil Burgess  
 Dave McCluskey  
 Richard Nagy  
 Hank Bargiel  
 Marvin Bresler

Shot-Put  
 Mile  
 Medley  
 Relay  
 880 relay and 100 yard dash

## Fight, Team, Fight

The twenty-two girls that went out for basketball this year have shown a lot of enthusiasm in all the games that they have played in this season.

They have had a three win, no loss season under the coaching of Miss Swem. So here is one big Capac Cheer! for the Capac Girls.

## Yea Team!

# ACTIVITIES

# Camera Club

The Camera Club has carried out a wide and varied program this year. All which has been related either directly or indirectly to photography.

Early in the year the areas of good picture taking and processing were taken up for study and experimentation. We also have worked on photo - oil - tinting and making Christmas cards.

The club has sponsored the "1954 night program to which the public was

Capacian," and also a special invited.

I have enjoyed and feel it a privilege to have been the president of the camera club. I wish to express my thanks to all of the members, and friends who have helped to make it such a great success.

*George Diver*

President

## Commercial Club

The Commercial Club was organized with its primary objectives being, to make social developments and department improvements.

As a result of their participation in the clubs meetings and activities, members are better equipped to take their place in the business world.

The Safety Patrol under the supervision of Captain Jack Teetzel and Lieutenants Frank Kocis and Sally Gripton do an excellent job of safety and accident prevention in our school.

The safety of the elementary students of the Capac Public School system depends largely on the watchful eye of the members of the Safety Patrol. The patrol, in all types of weather, tend their stations to aid the children.

Members are selected from the 7th, 8th and 9th grade, and are under the direction of Mr. LaForge.

## Student Council

The Capac High School Student Body is governed by the twelve Student Council members, under the direction of the advisor, Mr. Seeley.

The Senior Class has 4 representatives, the Junior Class has 3, the Sophomore Class has 2, and the Freshman Class has 1.

A Junior will be elected president in April for the coming year.

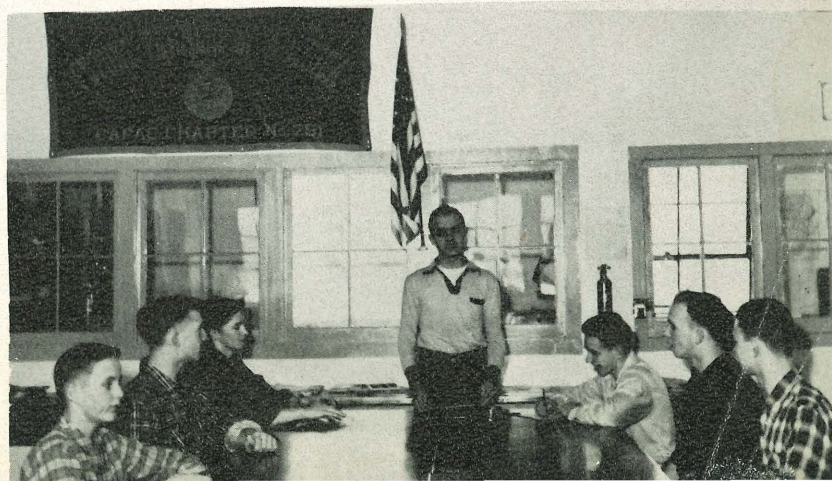

## The F. F. A.

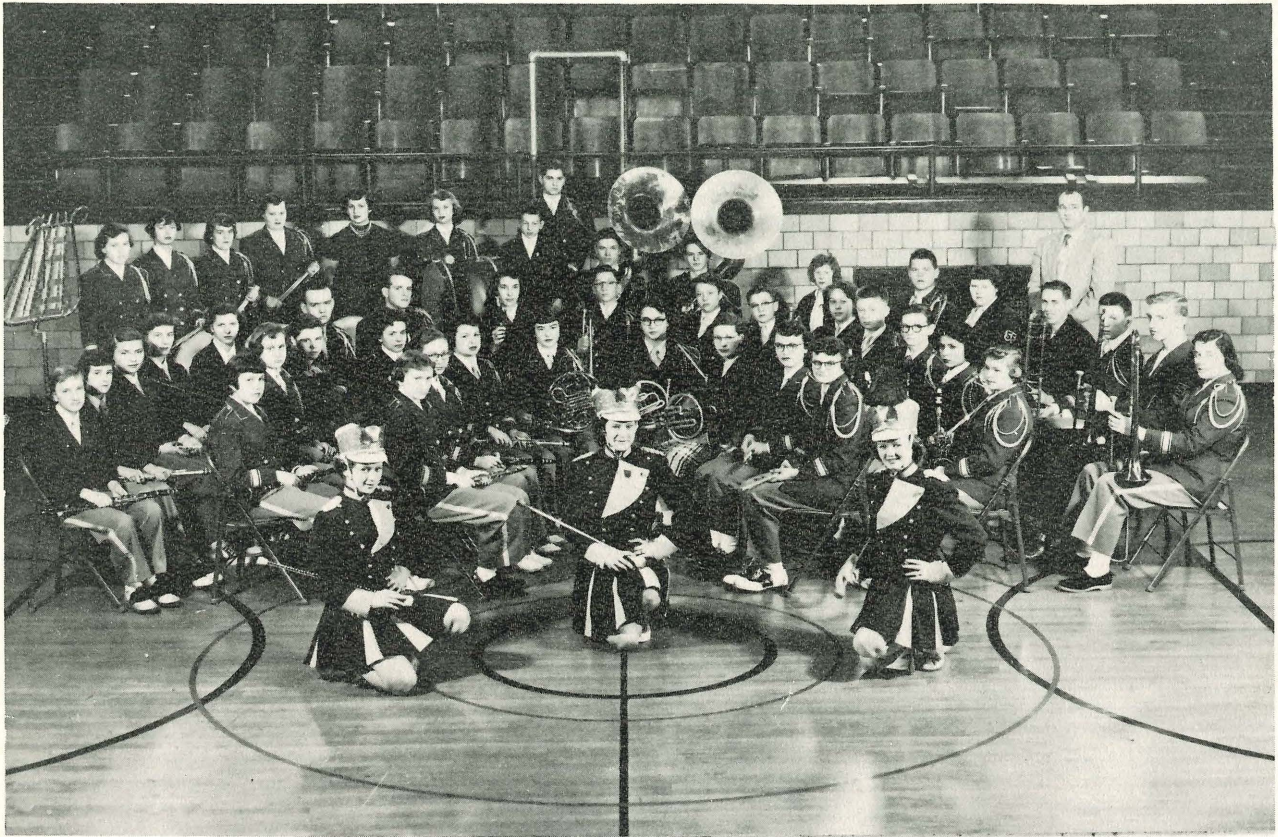

The 49 members of the F. F. A. under the direction of President Ed Bargiel and his assistant Vice-President Jim Stroup have done many projects throughout the year. They have one night meeting a month in which the minutes of the last meeting are read by Secretary Don Whittkopf. The dues are paid to Treasurer George London.

## Parliamentary Procedure

The Parliamentary Procedure Team of the F. F. A. are boys that are interested in the problems of the farm.

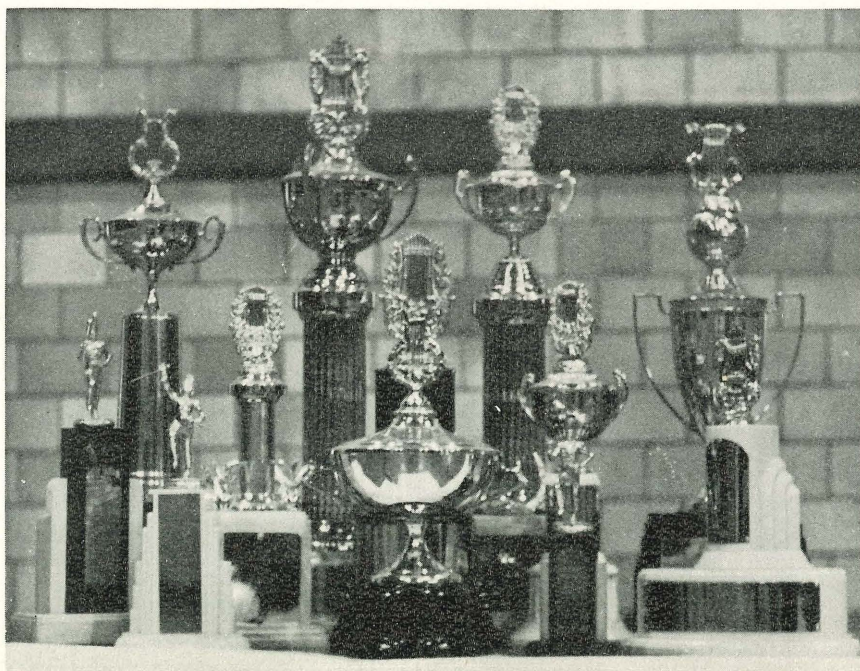

## Senior Band

The 55 piece band of Capac High School under the direction of Mr. William La Forge played at both the Imlay City Fair and the Michigan State Fair. It has also played at Flint, Port Huron, and Ann Arbor.
